

problem.definition.State.getCopy

```
graph LR; A[problem.definition.State.getCopy] --> B[problem.definition.State.State];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is filled with a dark gray color and contains the text 'problem.definition.State.getCopy'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'problem.definition.State.State'.
