

evolutionary_algorithms.complement.
TruncationSelection.selection

```
graph LR; A["evolutionary_algorithms.complement.  
TruncationSelection.selection"] --> B["evolutionary_algorithms.complement.  
TruncationSelection.ascOrderBetter"]
```

A diagram consisting of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'evolutionary_algorithms.complement.TruncationSelection.selection'. The right box is gray with a black border and contains the text 'evolutionary_algorithms.complement.TruncationSelection.ascOrderBetter'.
